1. Registration Fee

8U-19U: \$175 per year

The registration fee of \$175 must be paid within 7 days of the time your child has accepted a roster position with the ISC for a year-round position. The annual fee MUST be paid via credit card or debit card during the online registration after the clinic and tryout notifications have been emailed out to players. This fee is not prorated if joining mid-season.

Fee Explanation:

The ISC collects an annual registration fee from every player in the club. This fee is necessary to cover the expenses the club incurs when registering your child with the state and national soccer associations. The registration fee also covers the extensive overhead costs necessary to run our soccer club. These costs include the expenses incurred from the following sources: office and administrative expenses, including phone, fax, postage, advertising, liability insurance, & internet services, coach per diem and travel, & other overhead expenses necessary to maintain the organization.

2. Coaching and Administrative Staff Fee

8U-19U: \$690 per player

The coaching/administrative staff fee can be paid in full at the time of the post clinic and tryout registration online via credit/debit card. If you do not want to pay the coaching and administrative staff fee at the time you make the online registration payment, you can set up automatic withdrawal for the coaching and administrative staff fee. The funds are withdrawn from your account on the first day of each month.

Fee Explanation:

The coaching and administrative staff fee will cover the cost of the professional coaching and administrative staff. This fee will cover seventy (8U-14U) training sessions or eighty (15U-U19) training sessions with the ISC professional staff, coaching from the ISC staff for 95% of all games all year, and goalie training. In addition, these fees cover the expense for our administrative staff, including salaries for ISC administrators.

2018-2019 ISC Other Annual Fees by Category

1. Team Fees

Team fees only apply to players in the Advanced Year-Round program. Players in the "POP" and "POPPI" programs do not pay team fees. Team fees are paid in three installments (one for the fall season, one for winter tournaments, and one for the spring season) and are set by the team treasurer. Team fees are paid to the team treasurer and are **NOT paid online to the ISC Office**.

Fee Explanation:

The team fees cover the tournament entry fees and league fees unique to each ISC team. At the beginning of each season, each ISC team will need to submit payment for league fees and tournament fees. Each full ISC team maintains their own checking account, which is managed by a volunteer team treasurer. The team treasurer is responsible for submitting payment to the league and tournaments to ensure that their team will be accepted by the league or tournament.

2. Uniform Fees

Uniform fees only apply to players in the Advanced Year-Round program. Players in the "POP" and "POPPI" programs do not require ISC uniforms. The cost of the full ISC uniform kit is roughly \$115. Each player is responsible for purchasing their own uniform by completing the online ordering process. The link to purchase the required uniform items is provided on the ISC homepage at www.iowasoccerclub.com.

3. Winter Indoor League Fees

Winter League Fees cover participation in the ISC winter indoor leagues. Families pay winter league fees individually based on their participation. More information regarding the winter leagues and their respective fees is available on the ISC website.
