

**Iowa Soccer Club  
2018-2019 Player/Parent Financial Contract**

If your son/daughter accepts a roster position on an ISC team for the 2018-2019 soccer year, this contract will go into effect on August 1, 2018.

- I understand that I am obligated to pay a registration fee within 7 days of the time my child has accepted a roster spot with the ISC. The 2018-2019 **annual registration fee of \$175 must be paid via debit or credit card during online registration after the clinics and tryout notifications have been emailed out to players**. Player cards will not be released until the fee is paid. All players, including those receiving financial assistance, must pay the registration fee before participating. This fee is not pro-rated when joining mid-season.
- I understand that I am responsible for paying the coaching/administrative & facility fee for my child. The coaching/administrative & facility fee can be paid in full at the time of post clinic and tryout registration via online credit or debit card payment. If I do not want to pay these fees at the time that I make the online registration payment, I understand I need to set up automatic withdrawal so that the monthly installments can be deducted from my checking or savings account on the 1<sup>st</sup> of each month for the **12 month period**. For all 9U-19U players, the coaching fee is \$690 per year. For all 9U-19U year round players, the facility fee is \$360 per year. I understand that I either need to pay the coaching/administrative & facility fee in full, set up monthly automatic withdrawals, or be approved for financial assistance in order to receive a player pass for the 2018-2019 season.. **If my player leaves the program during the 2018-2019 season, I am still obligated to pay the full coaching/administrative fee (the only exception to this rule is if your family moves out of town and your child is leaving the team because you are moving).**
- I understand that by accepting a roster spot, I am also responsible for paying team fees, which are paid directly to my team's treasurer and cover league and tournament fees. If your team fees are not paid in a timely fashion, your player pass will be held and you will not be able play in the weekend event.
  - If approved for full financial assistance, UP TO \$150 in team fees for the fall season and \$150 for the spring/summer season are covered. Those receiving full financial assistance are responsible for team fees in excess of \$150.
- I understand that recruiting is prohibited by anyone involved with the ISC, including parents. This involves directly contacting another competitive player registered with another competitive club for the purpose of encouraging a player to leave their own club.
