

# Iowa Soccer Club Fee Structure 2020-2021

The Iowa Soccer Club has two main types of fees:

2. Other Annual Fees

Club fees are applied to all ISC year-round players and are listed on page 2 of this document. Other annual fees include team fees, uniform fees, and winter indoor league fees and are listed in detail on page 2 of this document. ## 2020-2021 ISC Other Annual Fees by Category

### **1. Team Fees**

Team fees only apply to players in the Advanced Year-Round Travel teams. Players in the "POP" and "POPPI" programs do not pay team fees. However, "POPPI" players that elect to play in the winter indoor tournaments are required to pay winter indoor team fees. Team fees are paid in three installments (one for the fall season, one for winter tournaments, and one for the spring season) and are set by the volunteer team treasurer. Team fees are paid to the team treasurer and are **NOT paid online to the ISC Office.**

#### **Fee Explanation:**

The team fees cover the tournament entry fees and league fees unique to each ISC team. Each ISC team maintains their own checking account, which is managed by a volunteer team treasurer. At the beginning of each season, each ISC team submits payment for league fees and tournament fees. The team treasurer is responsible for submitting payment to the league and tournaments to ensure that their team will be accepted by the league or tournament.

### **2. Uniform Fees**

Uniform fees only apply to players in the Advanced Year-Round program. Players in the "POP" and "POPPI" programs do not require ISC uniforms. The cost of the full ISC uniform kit is roughly \$125. Each player is responsible for purchasing their own uniform by completing the online ordering process. The link to purchase the required uniform items is located on the ISC website on the "ISC Uniforms and Apparel page."

### **3. Winter Indoor League Fees**

Winter League Fees cover participation in the ISC winter indoor leagues. Families pay winter league fees individually based on their participation. Each session for the ISC indoor leagues costs in the range from \$85 per session to \$130 per play per session. All players in the ISC year-round program are required to participate in at least one indoor session.
