2022-2023 ISC Other Annual Fees by Category

1. Team Fees

Team fees only apply to players in the Advanced Year-Round Travel teams. Players in the "POP" and "POPPI" programs do not pay team fees. However, "POPPI" players that elect to play in the winter indoor tournaments are required to pay winter indoor team fees. Team fees are paid in three installments (one for the fall season, one for winter tournaments, and one for the spring season) and are set by the volunteer team treasurer. Team fees are paid to the team treasurer and **are NOT paid online to the ISC Office.**

Fee Explanation:

The team fees cover the tournament entry fees and league fees unique to each ISC team. Each ISC 13U-19U team maintains their own checking account, which is managed by a volunteer team treasurer. At the beginning of each season, each ISC team submits payment for league fees and tournament fees. The team treasurer is responsible for submitting payment to the league and tournaments to ensure that their team will be accepted by the league or tournament.

2. Uniform Fees

Uniform fees only apply to players in the Advanced Year-Round program. Players in the "POP" and "POPPI" programs do not require ISC uniforms. The cost of the full ISC uniform kit is roughly \$125. Each player is responsible for purchasing their own uniform by completing the online ordering process. The link to purchase the required uniform items is located on the ISC website on the "ISC Uniforms and Apparel page." We will be in a new uniform effective Fall 2022 so all players will need to purchase a uniform this fall.

3. Winter Indoor League Fees

Winter League Fees cover participation in the ISC winter indoor leagues. Families pay winter league fees individually based on their participation. Each session for the ISC indoor leagues costs in the range from \$85 per session to \$130 per player per session. All players in the ISC year-round program are required to participate in at least one indoor session. POPPI Players must play both sessions!
