## ISC Advanced Year-Round Player Fees:

**ISC Fees for 8U-12U: \$1,749 per player**  
**11 Monthly Installments of \$159**

### Other Expenses not covered by ISC Club Fees:

The Numbers below are best estimates and assume only 1 session of indoor. Keep in mind you will not need to purchase a uniform every year. However, for 2024-2025, the club will be in a new uniform.

- Indoor League and Indoor Tournament Fees. Your yearly ISC fees cover coaching for indoor practices and indoor games. Your yearly ISC fees also cover rental fees for indoor practices. However, each parent registers individually for participation in the ISC indoor leagues. Fees per league session range from \$100 -\$105 for 10 indoor games at the Hawkeye Tennis and Recreation Center during the winter months. In addition, last year we only participated in one indoor event which was our own tournament and the cost per player was \$34.00 per player.
- Uniform Costs: The entire ISC uniform package will cost about \$150 per player.
- Travel to league games and tournament games. Parents are responsible to make sure that their kids get to all games. We do not have a club bus or club transportation. All families are responsible for all costs associated with travel.

## POP and POPPI Fees:

**ISC Fees for 8U-12U: \$1,452 per player**  
**11 Monthly Installments of \$132**

**These fees are lower than the fees for the Advanced Year-Round Players, because the “POP” and “POPPI” kids do not play outdoor games.**

Parents should be informed that you must commit to games through regular communication with your volunteer team manager. Paying the fees alone does not ensure that your son or daughter will be included on weekend rosters. We poll for league games and tournaments to ensure that we have correct numbers for games. All families that want their kids to play on the weekends must respond to the polls by our deadlines if they want their child to participate each week or for each event.
